WHAT IS AN AMBASSADOR

An Ambassador of the Lake Gaston Chamber of Commerce is a very important part of the day-to-day operations of the Chamber. As an Ambassador you are a goodwill representative of the organization that works for business and community interest in Lake Gaston.

Your commitment and participation in any Chamber activity is greatly appreciated. Each minute of volunteer time is needed and worthwhile to you, the community and the Chamber.

What are my responsibilities?

Ambassadors are the public relations arms of the Chamber. They serve as welcoming committee for new partner open house and ribbon cuttings; as helpers at special events, partnership luncheons, Business After Hours, membership drives, and as representatives of the Chamber as they conduct business for themselves in the Lake Gaston community.

How much information do I need to know about the Chamber?

The Lake Gaston Chamber of Commerce is a business organization that works on behalf of its members through the Board of Directors and committees as outlined in our Business Plan. Use it as a reference when talking about the Chamber with another member or prospective member.

The work of the Chamber is financed by the investment of the members who support it by paying membership dues. Ambassadors actively recruit new partners for the Chamber.

Is there a special meeting time?

The Ambassador Committee meets every other month 1/2 hour prior to the scheduled Monthly Chamber luncheon to discuss pertinent information .

What are ribbon cuttings?

Ribbon cuttings introduce new members to the Chamber of Commerce. Members notify the Chamber in advance and we encourage Ambassadors to come by to support the new business partner.

Special Events

Each year there are various events such as our Annual Golf Tournament, Battle of the BBQ, Chili Cook-Off and others. In addition we have monthly luncheons and Business After Hours events . With each of these events there is a need for assistance. Ambassadors are encouraged to volunteer for several events during the year, and are also encouraged to recruit other chamber members to attend the events and also volunteer.

What kind of recognition is there?

An award system has been developed on a point system for the purposes of identifying award winners throughout the year.

- Ambassador of the Quarter
- Ambassador of the Year
- Membership Recruiting Award

Awards per quarter will be determined based on participation and donations from members.

Annual awards will be announced at the beginning of December.
